SARAH

smiling
just arrives from
Aix en Provence

February 2, 2017

**I look forward to the arrival
of such a nice companion**

Unfortunately,...

Sarah and I didn't live

long together.

At the beginning
of March, I was at
the hospital...

**I went home at the end
of May...**

**I absolutely wanted to share
a few moments with Sarah...**

**I was worried about leaving her alone
so long.**

At the end of her stay,
Sarah is a little bit tired :
exams ...
work to present...

Nevertheless,
she keeps her
wonderful smile...

June 4, 2017

Modestly, I helped her a little bit to track down typing mistakes in her work...

To carry in my car, her small provisions of the week...

And then, Sarah left the house...

with her big suitcases...

June 9, 2017

She left in very bad weather...

**Have a nice trip,
brave little Sarah...**

Then, the 16th of September arrived...

ELOÏSE

**She brought with
her, happiness
and sweetness...**

Everyday,
she goes to class
with
her little green car,
her backpack,...

... and her
golden
shoes..

**We quickly arrived
at the end of 2017**

**The evening,
the dining-room is
our daily meeting place**

**It takes a festive air in this end of the year ...
Golden balls and little leds brighten our meals.**

We take care of some distractions...

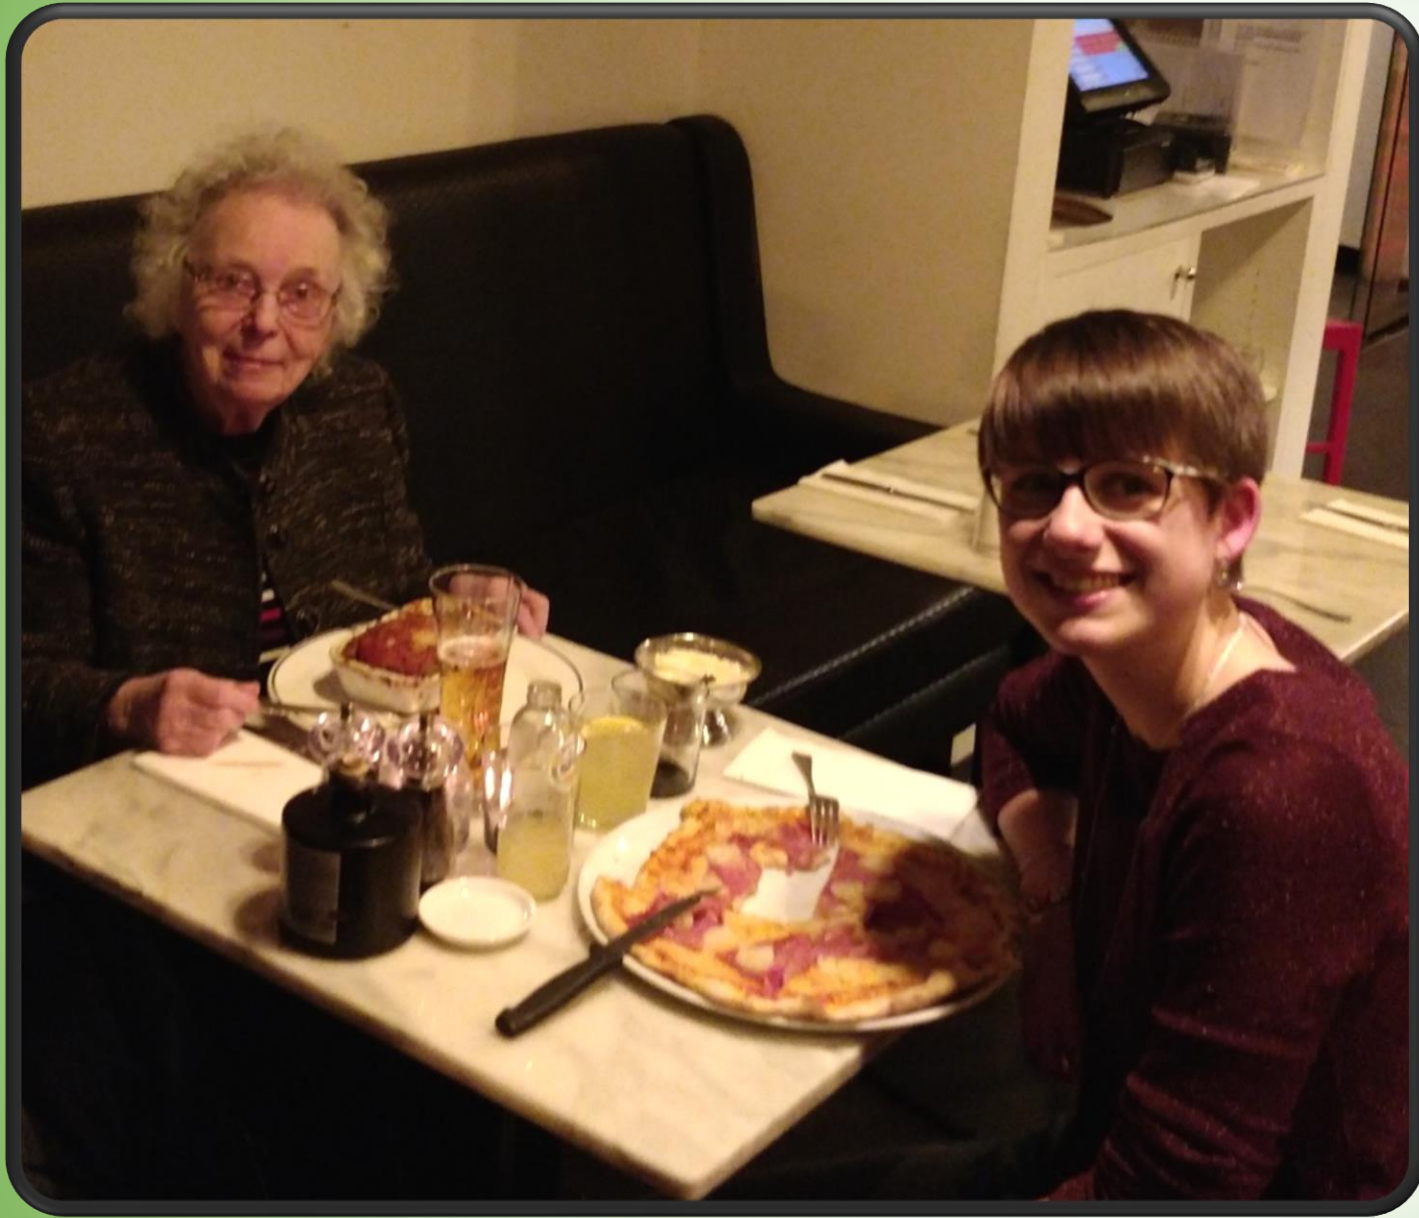

**A piece of Molière
brought up to date ...**

**We even played
SCRABBLE ...**

**From time to time,
we are going outside to have a little
something to eat...**

**A little
getaway
at
Trattoria**
